

Information on measures to prevent and contain the spread of COVID-19

In order to protect people's health within accommodation facilities, and guarantee the safety of the environment, we inform you that we have taken some precautionary measures, as required by current regulations.

In implementation of these measures, we inform you that entry is not allowed:

- if you tested positive for Covid-19 or are in the period of an enforced quarantine;
- if you have been in contact with a case of Covid-19 in the last 14 days, or if you are coming from WHO designated risk areas;
- if you have a temperature (above 37.5°C) or other flu symptoms.

If these symptoms start after entering the facility, you must promptly inform the company manager, taking care to stay at an appropriate distance from other people, and notify your doctor and the health authority. By entering the facility, you undertake to comply with all the provisions of the Authorities and the rules of the company, and in particular to keep social distancing, wear a face mask when necessary and observe correct hygiene behaviour.
